

Miscellany of Colorado State University – UCSU

Preliminary Inventory – April 30, 2008 – CMM

This collection consists of miscellaneous materials donated to the University Archive which do not constitute their own collection. Materials were divided into four series: media, scrapbooks, artifacts, and ephemera and miscellaneous materials. Items in the series are arranged alphabetically. Some boxes contain space for anticipated growth within that series. The collection does contain **Restricted** materials that are closed to researchers. Please consult a staff archivist with any questions. Most materials are fragile, please be careful while using them.
